

Noho Marae

Marilyn, Wellington Hui

There have been many wonderful memories for me.

Where do I start?

To participate in the kaikaranga and have the support of all the lovely wahine around me.

To mix and mingle with the tangata whaiora and whanau.

To party with all of our committee members, management, staff, tangata whaiora and whanau.

It was awesome on our last night to let our hair own and celebrate our successes while always knowing what is happening and what needs to be done around us at all times.

What a team!!!!

To meet with Bruce and his whanau to share in their life experiences.

Penny for thoughts.

My walk to Red Rock Coast and see seals for the first time ever. Lovely walk, lovely group. Tino pai Deepal.

A pleasure to meet Mavis from the Hutt complex.

A pleasure to walk alongside Jacqui.

Making flags and hanging them at the gateway.

A pleasure to walk alongside Bronwyn and thank you Bron for the support with our lovely Michelle.

To acknowledge Dave for his wonderful leadership skills in steering this adventure.

To meet with Paul at another level and party.

To Lyndsay, Michelle, Marie, Simon, Cara who know how to have fun and party.

To Suzen who was doing all the videoing.

To Debbie who was our great and wonderful photographer.

To meet matua Rei who taught us the Pathways waiata.

To Mavis and Deepal silent and important parties working in the background. Tino pai.

To Tamai who is now working in Christchurch.

To all the wonderful people I walked with in the morning.

For the lovely sleeps I has. Apparently I am a snorer.

And an early morning singer lullabying to those lovely people still sleeping (tee hee).

I must lastly mention the mahi done by myself and my lovely colleague Hineheru were done with great aroho for our people.

The lunch out was beautiful thank-you Lyndsay.

I will be purchasing a photo album with my pleasant surprise gift and putting all my memories in there to cherish forever.

Please forgive me to any people I have not mentioned but this is for everyone included in the hui.

Arohanui.
